My warmest congratulations on your Golden Anniversary, April 14, 15 and 16, 2011.

This is a very significant day for all of us to rejoice, time for renewing ties, time to reminiscences of the past. Let us thank the Good Lord for His kindness and blessings, and for granting us long life and allowing us to be together again after 50 long years. I can say with pride that most of you, if not all of you have achieved satisfactorily your individual fields of endeavor. With the guidance of the Lord, you can still achieve greater success by extending willingly and unselfishly your help to those who are in dire need. Your generosity will return to your countless blessings from the Lord Almighty.

Congratulations. God bless all of us.

Greetings and congratulations to the members of the Albay High School Class 1961 on the occasion of your Golden Anniversary Celebration.

Of course to all of you, today is a red letter day in your lives. It is a time for great rejoicing, renewing old ties, reminiscing happy, joyful and sad experiences shared by each one of you in the good old days in your beloved alma mater.

How fast indeed have 50 years come and gone. Today, you can come to make an assessment of your personal worth: What have these years done to you? Were you able to achieve your childhood ambitions and dreams? Were you able to achieve the ideals which you have been striving for? Did you find these years wearisome and tiring, or fruitful and successful?

Whatever your answer maybe, do not ever let yourself stop here; instead go on and continue to remain steadfast to your cherished youthful ideals -- to be able to serve faithfully God, country, and fellowmen.

Congratulations and best wishes again on you Golden Jubilee Anniversary!
